2021 MID-YEAR PRICE ADJUSTMENT ANNOUNCEMENT

To: All Authorized Innovation in Motion Dealers

Subject: Price increase announcement effective June 1, 2021

Dear Valued Customer,

We continue to experience accelerating month-over-month commodity price increases from our supplier partners.

Our purchasing department is doing their due diligence to mitigate all cost increases; however, current market conditions are forcing us to react.

We have absorbed cost increases as long as possible but this strategy is no longer sustainable. As a result, we had to make the difficult decision to raise product prices.

New prices will be effective with all orders received June 1, 2021. Prices on quotes prior to June 1, 2021 will be honored per terms of the price quote.

Thank you for your valued business and continued support.

Sincerely,

A handwritten signature in blue ink that reads "Jennifer Hull".
